Great, thank! I'll forward along. I'll need to circle back on this later this week myself as I've got a ton of things to work on.

Hi,

In Erica's absence, and Mimi now gone, do you know who can help me with reviewing this 7(d) memo?

Hi Mario, thank you so very much for agreeing to review the ND WQS ESA 7(d) memo.

Attached is the most current version with Erin's comments sent this morning.

I hope to send the action letter and 7(d) memo early next week, if possible. Bert and Judy called me yesterday afternoon to ask about the status of the documents, as they're ready to send the package to NDDEQ following Bert's conversation with Karl Rockeman yesterday.

Thank you - and have a phenomenal weekend!

Hi Holly –

I had more problems trying to access Sharepoint unfortunately, so am sending another version responding to your comments. I deleted some of the comments that I don't think we need to take any further. Please let me know if you have any questions.

Thanks,
Erin

Wirick, Holiday shared a file with you

Hi Erin, can you please take a look at the changes I made on page 3 (last 2 paragraphs) and 13 (paragraph 2 and footnote) to address your comments? If it looks good I'll send it to Mario for his review. Hoping to be able to send this through the routing bot for signatures along with my action letter before I get my new PC tomorrow at 1:00 just in case! Thank you!!
